Dear Michael,

We wish to sincerely thank you for including our "Cavan Day Group" in your Cross Border Project "Connecting People".

We thoroughly enjoyed this shared experience with "New Horizons Group".

Getting to know and working them has provided significant health & social gain to us and is a friendship we hope to continue.

The launch and barbecue was a wonderful experience and a most memorable occasion as are the photographs in local papers.

Hoping we meet soon again.

Yours sincerely,
