Principal: Mrs Adele Kerr M.Ed B.Ed DASE

6<sup>th</sup> June 2008

Dear Michael and Bronagh,

I wish to thank you both on behalf of my Principal, Mrs Adele Kerr, my P6 class and myself for the experience that this project, Connecting Peoples afforded to our school.

The organisation, planning and support was excellent. The stimulation offered to the pupils and the participation by the pupils was fantastic. They were so keen and eager to learn about their shared heritage and to meet new friends. New friendships were fostered and we hope very much to keep up our contact with St. Michael's National School, Cootehill.

The variety of experience offered was excellent from, field trips to story tellers to model making. The virtual heritage trail was very interesting and offered the pupils new research and recording techniques.

Thank you both most sincerely,

Yours sincerely,

Marie Cox (Miss)  
YEAR 6 TEACHER
