Dear Michael,

On behalf of our pupils and staff I would like to express our sincere thanks to yourself and Bronagh for all your hard work and the effort which went into making Connecting Peoples such a terrific success.

We enjoyed working with Tullyveela and established new friendships with other staff and pupils who we probably wouldn't have met outside of the project. The pupils learned so much about local history (the Birren was fantastic!) and it was all pulled together within the context of the website. What a brilliant way to teach History and also those skills of co-operation, teamwork and working

together which were so central to the project.

Thank you most of all for your own input Michael - you established such a fantastic rapport with the children and it was such

a privilege to work with you - you put such a lot of work into delivering a well-planned and enriching programme for the children.

**'Caring, Learning, Achieving'**

Many thanks again - we will remember Connecting Peoples for many years to come!

Yours sincerely, Jacqueline Patterson (VICE-PRINCIPAL)
