Dear Michael,

Sorry I didn't get to speak with you before leaving Share Centre yesterday where all participants had a most enjoyable time.

I want to thank you most sincerely for the wonderful opportunity our 6th class pupils had in being selected to participate in the Connecting Peoples, Places and Heritage project. Every aspect of it was a very educational and enjoyable experience.

We thank you also for the service and hospitality extended to us on every occasion and would like you to convey our appreciation to all with whom we came in contact during the course of the project.

Yours sincerely

Rose Mary O'Reilly
