

Connecting Peoples Project

1. On this day, we had an introduction day! On this day Tullyveela school and Moat primary school met. We got to do these sheets and I got the spar one right and no-one else at my table knew what it was. It was ok.
2. We went to the Burren at Blacklion. We got to go around the forest and look inside caves. We saw Aghnaglack dual court tomb. It was really good fun.
3. On art day at Tullyveela we made Aghnaglack dual court tomb as a model. The other group made stones and made it into a medieval feasting tomb. Clara, Shauna and I were a little group.
4. Cavan County Museum at Ballyjamesduff. It took a long bus ride though we did make it there. We had a medieval Feast and it was so yummy! We also had a tour of the museum. It was quite interesting! This was my favourite one of all, it was painting ceramic tiles. Naomi and I painted a view. Then we got to paint some of the Moat Primary School. It was super fun!
