

My Trip to Devenish Island

on Friday - 5th Oct My Class, P.S and
a Class from Mullaghalm School in
Co. Cavan went on a trip to Devenish out-
side Eniskillen. The great sights of
Devenish are Spectacular! The sights you
can see are: The Round Tower, The Abbey,
The Maguire Chapel, Telpet Morr, The Priory
and St. Molaise's house. (which is the
oldest building on the island.) Monks used
to live on the island and to protect their
treasures they built a big tower that is 30m
(100ft) high! There were lots of graves
and the trip was so much fun.
And then we Hit-the-road!

P.S. The Celtic Cross we see was the
only one of its kind in the
world!
