History of Dua Lipa

Dua Lipa is a British-Albanian Singer, Songwriter, model and entrepreneur. Before pursuing music Dua worked as a model and signed with the Warner Brosy In 2014. Her distinctive husky vocals and music that blends 1970 disco, 1980s pop, and 1990s club music have helped her rise to fame. Lipa has won three Grammy Awards and Seven Brit awards. She's one of the few Singers to sell out multiple Stadiums in Europe.

Dua Lipa's voice is deep and she's really confident. The way she carries herself for example in her Royal Albert Concert in England she wore a beautiful Red long dress with deep red leather gloves with a sheer Red Cape that touched the ground it was gorgeous.

At her Royal Albert Concert She had an Orchestra playing for her, the Strings was my favourite they touched my heart in an instant as a Violonist myself it was fantastic to be able to hear the cellos electric guitars back up singers and Du her self!
