

Road works cause chaos

The planned closing of the main Derrygonnelly road this week for resurfacing will cause major disruption to commuters for school and work alike.

Extra time is advise for journeys as diversions are in place.

caution was advised because roads are very busy the road works are expected to continue for the rest of the week.

Local residents on the planned diversion route have expressed concerns about the extra traffic, especially heavy goods vehicles which can cause damage to road verges and properties.
