

Gaelic Competition With St. Pauls.

St. Pauls P7 gaelic team were in a tournament on the 7th December 2024. It was in the Fourm in Enniskillen. They were hoping to win and get to the finals in Lisnaskea on 12th March 2025. The organisers of the competition were called Cumann na m Bunscol.

There were teams of both boys and girls but they did not play together. Each match was five aside and you had to have atleast three subs. They each played four matches and both the girls and boys team from St. Pauls won and that means that both teams get to go to the final. It was eight minutes per match.

They each played Ederney, Tempo and Boho and at the end of it all St. Pauls played Ederney in a friendly and beat them. Now we will wish them luck in the finals.
