

Irish in Irvinestown!

Who will win?

On Friday the 7th March 2025. The P7 class from St Paul's primary school, Irvinestown took part in a Gaelic tournament in the Bawnacre center. The focus of the tournament was to promote the use of the Irish language.

A few weeks before the tournament, the P7 class started to learn Irish for example 'Maith thú' means 'well done' and 'pas an liathróid' means 'pass the ball'. They also learned the National Anthem because it was sang at the start of the tournament.

P7 played 4 games, The games were extremely tight but The P7's pushed through to the final against Lisnaskea. They tried their best however unfortunately They were beaten but thankfully everyone enjoyed the day.

One ^{of} ~~the~~ the P7's won a prize at the end James Maguire won an O'Neill's football for speaking the best and most Irish on the day. He said "I felt really good winning the prize!"
