

Lady of the Lake Irvinestowns Biggest and Best festival.

Lady of the Lake is a fun filled festival which takes place over a full week in July. It is packed full of activities, fairs and parades. The Theme for this year is wicked!!

The Lady of the Lake is hosted by Joe and Paul Mahon etc. This year is their 41st anniversary. Girls from St Pauls and Irinestown Primary get to be the lady in waiting, this means that when you are older you can be picked for the Lady of the Lake.

Every year crowds gather in the streets of Irvinestown to see who the new Lady of the Lake will be, and how she will be transported there.

Folklore has it that the legendary Lady of the Lake walked amongst the mists and Islands of Erne bringing a Sign of good times ahead.

The Lady of the Lake festival is a celebration of community and Fun for all
