

# SALAH'S Super Stats

By Danny Baykn

From the start of the 2024/25 season people have debated over who will be the best player this season. Is it Raphinha? Mbappe? But one player has been a stand out performer, Mohammed Salah.

Mo Salah has been at the top of world football for years. Playing in the Premier League with Liverpool F.C and broken individual awards such as the Golden boot in 2017/18, 2018/19, 2021/22, Player of the season in 2017/18, Goal of the month in 2020/21, 2021/22, Goal of the season 2021/22, Playmaker in 2021/22 finally Player of the month 6 times all across 11/2017-11/2024.

He also has individual records as he has the most international goals scored in the premier League (184). Mo comes third in Liverpool all-time scorers with his 242nd on Saturday 8th of March 2025 against Southampton. He is joint-5th on Premier League all-time scorers.

Salah has been through thick and thin with Liverpool over the seven years of being there. He has won the Premier League, Champions League, FIFA Club World Cup, Super Cup, Carabao Cup and FA Community Shield. Now in great form with 27 goals and 17 assists in 29 premier League appearances and many saying a ballon d'or coming his way. But with his contract running out will he

Stay or will he say one last goodbye to  
the reds? only time will tell!
