

The disaster of 9/11

About the planes that crashed into the towers

The disaster happened in New York on the 11 of September 2001 at 5:46 am GMT-7. At the time it struck. There were four hijackers. Their names were Mohamad Abdulaziz Al-Omari Wail Al-Shehri and Salam Al-Sayam. Then it crashed and two of the hijackers survived and the other two died.

It took ten months to clean up the whole thing and the damages cost up to \$4 trillion US dollars. Two of the planes went into the twin towers and two other planes crashed into Washington DC into the Pentagon. by Noah Fitzpatrick
