

Big Win for St Ronan's Primary School

By Bethany McDonagh

On Sunday the 9th of March St Ronan's pupils: Oliver, JJ, Clara, Bethany, Macey, Michael, Blake and Aoibhinn went to Omagh Leisure Centre to participate in the Credit Union Schools Quiz. The under 11's Bethany, Clara, JJ and Oliver first got their pictures taken then sat down at table seven. A couple of minutes later so did the under 13's Aoibhinn, Blake, Macey and Michael they also sat at their table which was also table seven. The under 13's questions were up first having to complete 2 rounds before the under 11's could get started. Each round had 6 questions the first round was easy enough with questions such as, **How many colours in the rainbow?** But the further it went on the harder it got. After all the rounds were finished they got sweets, crisps and a bottle of water while the judges counted the scores. There was tension in the air a few of the under 11's thought we are not going to win!!!!!! The runner up was called first..... the Enniskillen Model Primary School and as luck would have it the winners were announced "1st place..... St Ronan's primary school" said the host everyone was cheering and so happy for us. Sadly the under 13's came in joint 3rd but did so well competing against kids from secondary schools.....what an achievement!!!!!! Now the under 11's are off to the Nationals in Dublin on Sunday 6th of April. But for now, they will enjoy the victory.
